

Basic Supplies Needed for Your New Dog

Water Bowl – stainless steel or ceramic please, not plastic

Food Bowl – stainless steel or ceramic please, not plastic

Good-quality dry dog food

Nail clipper (guillotine style with orange handles) or grinder

Brush and comb

Furminator – optional, but very handy; they are expensive, so best to get one from Ryan's Pet Supply if at all

Dog shampoo – don't get one that humans use; it has the wrong pH for a dog's skin and coat; hypoallergenic is best

Poop scooper

Trash can with closable lid and trash can liners to be kept outside for poop

Nature's Miracle or some other similar brand like Zero Odor for cleaning up "accidents"

Heartgard® -- need monthly dose; must get prescription from vet

Optional:

 Raised feeding stand recommended

 Bed

 Toys

 Dog Door

 Fish oil capsules or liquid
